

NEW SPECIAL LICENSE PLATES HELP END THE TRAGEDY OF PET OVERPOPULATION

YOUR CAR TELLS THE WORLD HOW YOU FEEL ABOUT PETS

The Massachusetts Animal Friendly license plate will tell your community that you care about animals! By purchasing this license plate, you will be contributing to a statewide program that will directly benefit Massachusetts's animals.

The initial cost of this Animal Friendly license plate is \$40, \$28 of which will be used to help fund this statewide spay/neuter program. The remaining \$12 is a one-time only cost to cover the manufacturing of the plate.

Upon renewal, the entire \$40 will go to this spay/neuter program. (The standard registration fee is due every two years upon renewal in addition to the Animal Friendly license plate fee.)

GO TO: <http://www.mass.gov/rmv/express/plates.htm> to order an Animal Friendly license plate.
