

# Volunteer Opportunities!

## Are you great with people and pets?

The Northeast Animal Shelter needs volunteers to help with greeting our guests, answering phones, assisting our adoption counselors, and monitoring our animal rooms.

Even if you can only come once a week – we need you!

Expect to spend a minimum of 2-4 hours here on your scheduled shift greeting our guests and potential adopters, answering general questions on the phones, assisting our adoption counselors to complete adoptions in a timely manner, or monitoring our animal rooms to ensure our pets' and public's safety.

If helping animals find the right home interests you, please give us a call (978-745-9888), or stop by and fill out a volunteer application.

The Northeast Animal Shelter is a private, non-profit shelter dedicated to saving homeless dogs and cats by placing them in responsible and caring homes. We are located at 347 Highland Avenue (Route 107) in Salem, MA. Please stop by to visit and join our volunteer team!
