Maxwell

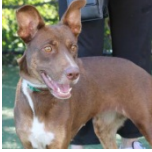

Hello friends, my name is Maxwell. I am a handsome 2 year old neutered collie mix. I look very unique and stand out from many other dogs. I am black and white and have brown spots near my paws and on my legs. I traveled here from North Carolina with some other rescue dogs looking for a loving family. In North Carolina I hunted and ran free so I am prey-driven, active and exhibit my herding skills. A savvy person and firm trainer would be the perfect person for me. I am very friendly and get along with other dogs with a proper introduction. Going home to teenagers 16 and up would suit me very well. A fenced area would be great so I could run around, take walks and play. Playing fetch is a game I really enjoy and I always share by giving back the toy. The dog parks are one of my favorite places to go. I don't want to stay here for too long so I am ready to be adopted. Hopefully I can be the pet that best fits you and you are the pet owner that best fits me. If you are interested ask about me at the Northeast Animal Shelter.

Candy

Hello everyone, my name is Candy and I am a 3 year old lab mix. I am a female and I am a medium sized dog with brown and white short hair. Just like my name I am very sweet. I am from Miami Florida but I am looking forward to playing in the snow. I am very friendly and love to be around other animals too. I get along great with other dogs and would be open to have new friends at home. As much as I love all my friends here at the shelter I would love a place to call my own with a new family who loves me.

Hey, I'm Sophie. I'm a 3 year old beautiful Sweetheart Mix from California, looking for a loving home! I am also house trained and don't mind being in my kennel at night while I sleep. I love to play with other dogs, and crave love and attention. I also do great with children! Whenever I get the chance I love to just sit on a lap and cuddle. I love to be walked, but sometimes I get too excited and pull. With a little training I will make the best walking partner. I would love for you to come meet me and consider me as your pet! Please visit me at North East Animal Shelter!

"Buster"

Hello, my name is Buster! I am a 6 year old Terrier X, and some call me cute. I'm from West Virginia talk about a long ride. That's one of my favorite things to do: go for long rides and adventures. I might seem shy but, hey, I am a lot of fun after I warm up to you. I'm white and fluffy so I will be great to cuddle with. I know how to sit, lie down, and I will always follow you if you tell me to. Who said you can't teach an old dogs some new tricks? I'm willing to learn more. I am very friendly and loving and I like meeting people. I hope to get a loving family and best friend that would adopt me soon, but, hey, good thing happens to those who wait and I'm waiting!!
