

Personalized Kennel Plaque

At Northeast Animal Shelter, our mission is to help as many animals as possible by providing humane care and resources for homeless pets in need. Each year, our animal relocation program transports thousands of cats and dogs from shelters across the country to our adoption center, where they receive medical care, nutritious food, and enrichment and behavior training prior to being placed in a loving home. These efforts are made possible thanks to your support!

With a donation of \$1,000 or more, you can honor or memorialize someone special with a personalized 2"x8" kennel plaque that will be placed on either a cat or dog kennel.
